Oral Vitamin Gels
Nutritional Supplement 300 ml Gel Tubes

Oral Vitamin Gels are suggested as a supplemental source of vitamins for incoming cattle, hospital pens, newborn calves, sheep, goats, and swine.

Advantages

- Multi-species: beef, dairy, sheet, goats, and swine
- No needles, no injection site issues
- Patent pending formulation to maximize uptake in ruminants
- Improved absorption
- Easy to feed
- Stable formulations - Two year shelf-life
- Palatable

Easy to Feed

One click of standard gel/paste applicator provides 5 ml and two clicks provide 10 ml.
