

## Acknowledgment of Receipt

The undersigned acknowledges receiving a Type A Medicated Article from Animal Health International, and will do one or both of the following when the undersigned manufactures any animal feed from the Type A Medicated Article, or provides any of the Type A Medicated Article to a third party:

1. Require a valid Veterinary Feed Directive (VFD) covering the quantity of feed involved from each animal production facility to which the undersigned provides animal feed containing any of the Type A Medicated Article obtained from Animal Health International; and/or
2. Comply with all legal requirements pertaining to distribution of Type A Medicated Articles, including but not limited to 21 CFR parts 514 and 558, in connection with providing any of the Type A Medicated Article obtained from Animal Health International to any third party.
